TREASURER'S REPORT - Sean Moriarty

Sean distributed the financial reports through 3/31/23 (attached); balance sheet remains strong, bar income is well above budget, and the upstairs hall has been stronger than expected; \$19K in initiation fees so far, which will be added to the reserve account; some fluctuations in salaries will catch up as the season picks ups; course expenses are up slightly, due to pre buying chemicals and other products, and will also level off; will continue to monitor Accounts Receivables through the April 15th deadline for dues payments. The two money market

accounts have been enrolled into the 'sweep' as discussed last month, thereby providing greater protections for our funds than the traditional FDIC insurance.

Finally, several personal checks cashed at the bar have been returned recently, causing some expense and aggravation – therefor it is agreed, the bar will no longer cash personal checks (members may continue to pay dues invoices and F&B increases by personal check).

Motion by Pat Donovan, seconded by Brian Gleason to accept the Treasurer's report. Vote unanimous - Motion passed.

HOUSE COMMITTEE - Diane Murphy

Diane reported the first Meat Bingo went well, attracting 56 players and netting about \$900; cleaning behind the stage has started, with the next dumpster scheduled for 4/26 – business documents to be reviewed and categorized by then; investigating Bose speakers for the downstairs lounge and a new television for the patio (pole versus arm, etc.); bar flooring to be ordered and scheduled; punch list has proven successful in scheduling and tracking projects.

It was agreed that Sean Tully and Diane Murphy will continue to work together addressing the punch list tasks and schedule, and Sean will also appear at the next three board meetings to review progress. Separately, Sean will work with Donna McMahon and Pat Donovan (representing the Executive Committee) on management issues and improvements.

Motion by Sean Moriarty, seconded by Brian Gleason to accept the House report. Vote unanimous - Motion passed.

At 7:11 p.m. Mike Labo entered the meeting.

Mike indicated his few days open have gone well, a lot of positive feedback; he's working to establish menu basics, understand Twi leagues and tournaments, etc.; looking to hire staff (possibly VOKE school kids) establish weekly specials, considering Friday/Saturday evening dinners, breakfasts on weekends, getting to know the members, and generally ramping up the business as quickly as possible.

The board was impressed with his energy and openness, relayed the positive reports from members, reiterated its complete support for this endeavor, and promised to continue to work together to make this a success for Mike and the membership.

At 7:23 p.m. Mike Labo left the meeting

GREENS COMMITTEE - Jim Moriarty

Jim reported the cleanup went great with 45-50 volunteers, good turnout from NDA girl's golf team and LHS boy's golf team; Committee met last week to prioritize a 'needs' versus 'wants' item list; Chuck to explore possible availability of excess equipment at Green Meadows; sod completed on # 7 tee boxes; shrubbery on first tee has been removed on either side of the clock, and will be replaced with flowers; Ambassador posters have been ordered; divot mix and walking cylinders have been restocked and put out.

Motion by Brian Gleason, seconded by Shaun McCarty to accept the Greens report, Vote unanimous - Motion passed.

TOURNAMENT COMMITTEE - Brian Gleason

Brian reported the Smoker went well and was very well attended - special thanks to our first responders and emergency services personnel for springing into action; the tournament schedule has been published and booklets distributed; currently quiet as the 2023 tournament season is about to kick off.

Motion by Jim Moriarty, seconded by Pat Donovan to accept the Tournament Committee report. Vote unanimous - Motion passed.

Dear Members,

Regarding the National GRID pipeline project, we are happy to report they have finished their work on our property and are now working on adjacent parcels behind # 4 green and # 5 tee box. Per our agreement they have until April 30th to finish and be off our property without penalty (agreement calls for temporary workspace rental and property access for six months, November 1st to April 30th).

Remaining open action items:

- 1) Miscellaneous cleanup (branches, debris, etc.) that they will perform;
- 2) Regrading Chuck has provided spec's and NGRID is arranging for a third-party contractor to regrade and loam the work area on # 4, from where they entered our property at the bottom of the hill, to where they exited left and back of # 4 green;
- 3) Seeding Chuck has also provided spec's for grass seed, and seeding will be scheduled as weather permits;
- 4) Cart Path Repairs they will revisit after being sent photographs of their patches and reminded of the agreement to 'return to original condition.'

Their Project Manager is in contact with Chuck and Ray to discuss details and scheduling. Both sides have agreed on trees removed and final compensation (after Kevin Murphy and Gerry Foley walked the property, Gerry identified an additional tree they missed, for an additional \$1,100 in compensation) – NGRID is processing the check and we should see it later this month. Once the agreement has been completed, the Greens Committee will work with Chuck and his crew to determine what other plantings and enhancements may be warranted.

Once again, we wish to thank Kevin Murphy, Gerry Foley, and their team of experts for representing our interests, and also Chuck Malatesta and his crew for all their efforts.
