Board of Directors Special Meeting

July 26, 2017

President Jason Howarth called the meeting to order at 7:59 p.m. with all board members present.

President Howarth explained the sole purpose of the special meeting was to discuss a recent phone call from the Lowell Police Department. The call was a courtesy to inform the club of informal reports regarding a) card games for money and b) drug activity on the premises of Mount Pleasant. The LPD made it clear this was an informational call and there is no active or open investigation of any kind. Clearly, neither activity is sanctioned or authorized by Mount Pleasant Golf Club.

After considerable discussion it was agreed that, in the best interest of the Club and the membership as a whole, a) effective immediately, there would be no money card games permitted and the table in the back room will be removed, and b) video cameras and signage will be posted in the parking lots indicating increased video surveillance. In addition notices will be prominently posted in the men's and women's locker rooms to inform members of the situation and request their assistance.

Lastly, it was agreed to call the LPD to inform them of our actions and seek any available advice or guidance on how else to proceed.

There being no other business,

Motion by Jason Frediani, seconded by Andrea Dutile to adjourn. Vote unanimous. Motion passed. The meeting was adjourned at 8:25 p.m.

NEXT REGULAR MEETING

Wednesday, August 23, 2017 at 7:00 p.m.

Respectfully Submitted,

Bob McLeod, Secretary
